Dear Sir or Madam,

We hope that during the course of our promotion campaign so far, You have been well informed about the program and the possibilities to take part in the upcoming International Fair ENERGA, which will be held in Sarajevo, Bosnia and Herzegovina / Skenderija Center June from 19-21 2018, which, according to its program and public interest, will be a unique event not only in B&H but also in the wider region.

Have You already booked your exhibition area at the fair?

We would like to hereby remind You of the conveniences of submitting an application by April 30 and performing payment by May 15, 2018 (more details on the [application form](#)).

The slogan of this year's fair and the accompanying conference THINKING THE FUTURE expresses commitment to a modern, sustainable and energy-efficient future, which is reflected in the concept and program the Fair and the Conference.

The ENERGA Conference brings together over 100 eminent participants each year, a number of issues in the energy sector are addressed, with particular reference to strategic energy projects and investment potentials in B&H.

During the three-day conference program, the participants will present / discuss topics including:

- Energy and climate policies in B&H - the decarbonization of the energy sector in B&H
- The electricity market - the WB6 initiative
- Renewable Energy Sources (RES) - opportunities and obstacles to investing in the RES sector in B&H
- Energy efficiency in B&H, opportunities and possibilities
- Pyrophyllite as a material for an ecological future
- Application of energy efficiency in the industry, possibilities of investing in the energy sector

The following organizations have confirmed participation in the conference: Ministry of Foreign Trade and Economic Relations (MoFTER) of B&H, UNDP, GIZ Open Regional Funds (ORF) Project, USAID Energy Investment Activity (EIA) Project, Federal Ministry of Environment and Tourism, Ministry of Spatial Planning, Civil Engineering and Ecology of the Republic of Srpska, Energy Community, State Electricity Regulatory Commission of B&H (SERC B&H), Independent System Operator in Bosnia and Herzegovina (ISOBiH), World Bank, Regulatory Commission for Energy in Federation of Bosnia and Herzegovina, Regulatory Commission for Energy of Republic of Srpska, Ministry of Energy, Mining and Industry of the Federation of Bosnia and Herzegovina, Ministry of Industry, Energy and Mining of Republic of Srpska, Electric Utility of Bosnia and Herzegovina, Electric Utility HZHB, Electric Utility of Republic of Srpska; Czech Development Agency, Operator of Renewable Energy and Efficient Cogeneration (OIEiEK) of the Federation of Bosnia and Herzegovina, Western Balkans Green Economy Financing Facility (WB GEFF), Environmental Protection Fund of the Federation of Bosnia and Herzegovina, Environmental Protection Fund of the Republic of Srpska, Chamber of Economy of the Federation of Bosnia and Herzegovina, AD Harbi d.o.o. Sarajevo, Ankara Gazi University, University of Tuzla – Faculty of Mining, Geology and Civil Engineering, Institute for Technology of Nuclear and other Mineral Raw Materials from Belgrade, Serbia.
